

Ropeway Control Systems

Doppelmayr

Monday - April 16, 2018

Doppelmayr is offering a unique opportunity for training to ski area employees. Ropeway Control Systems class will be offered all day Monday, April 16, 2018 before the LMS Seminar begins. The cost will be \$240.00 per person to cover the cost of the training and materials and lunch on Monday.

The seminar will start with a discussion about ropeway fundamentals and core concepts of a safety control system. We will build on those core concepts as we focus on the Doppelmayr approach to controls. This is targeted to any ropeway owner, operator, or technician who wishes to know more about Doppelmayr control systems. See the outline description.

Class size: Minimum 12 required – Maximum 20 on a first come basis.

If the minimum of 12 is not reached by March 16, 2018, the class will be canceled.
